Don't let your student life go to waste...

Follow the Information **Security Rules**!!

CHIBA UNIVERSITY

If you do not follow the information security rules, you may end up in a lot of trouble...!

If you enter your Chiba University account information into an app that is not part of the official university system, there are many ways that the operator of that app may be able to misuse your information!

With this tool, I can use that expensive software for free! I'm going to download it now! University, you illegally used this software, right?! I will sue you for damages!

Mr. Chiba

Thanks for

the account

information!!

Huh? That's so much money!

If you download illegal internet tools and use charged software for free, you may be liable for large amounts of restitution! Do not do this under any circumstances!
